I. INTRODUCTION

A. Purpose of the Rules and Regulations

The primary purpose of these Rules and Regulations (also referred to as House Rules) is to protect all Owners, Tenants, Other Occupants and Guests of the Residential Apartments from annoyance and nuisance caused by improper use of the Residential Apartments, Industrial Apartment, Parking Apartment and Common Elements of One Waterfront Towers condominium project (the "Project"), and also to protect the reputation and desirability of the Project by providing for maximum enjoyment, comfort and security in the Project.

These Rules and Regulations supplement but do not change the obligations of the Owners of Apartments in the Project (the "Owners") and Tenants, Other Occupants and Guests thereof, as set forth in the Restated Declaration of Condominium Property Regime of One Waterfront Towers (the "Declaration") and the Restated By-Laws of the Association of Apartment Owners of One Waterfront Towers (the "By-Laws"). The terms used herein shall have the meanings given to them in the Declaration and By-Laws, except as otherwise expressly provided herein. In the event of any inconsistency, the Declaration and the By-Laws, as the case may be, will prevail.

B. Enforcement of Rules and Regulations

The Board of Directors (the "Board") of the Association of Apartment Owners of One Waterfront Towers (the "Association") shall be responsible for enforcing these Rules and Regulations but the Board may delegate such responsibility to the Resident Manager. All Owners, Tenants, Other Occupants and Guests of the Residential Apartments shall be bound by these Rules and Regulations and by standards of reasonable conduct whether covered by these Rules and Regulations or not.

C. Amendment of Rules and Regulations

The Board shall make such other Rules and Regulations from time to time or amend the following Rules and Regulations, as it deems necessary or desirable. The Rules and Regulations may be amended only by a majority of the Board at a duly called meeting of the Association Board of Directors.

The Common Elements of the Project are administered by the Association and are for use by the Residential Apartment Owners, Tenants, Other Occupants and Guests. These include, but are not limited to, sidewalks, passages, lobbies, stairways, walkways, corridors, emergency exits, roadways and Recreation Areas. The sidewalks, passages, lobbies, stairways, walkways, corridors, emergency exits and roadways must not be obstructed or used for any purpose other than ingress and egress. No one is permitted to play, loiter, or make loud noises in these areas. Pedestrian traffic in the roadway entrance to the Parking Garage not marked for pedestrian traffic is strictly prohibited.

If overnight parking is needed for a Guest, arrangements must be made through the Management Office during business hours prior to the Guest's arrival. No guest parking will be allowed between 12:00 a.m. and 6:00 a.m. without prior permission from the Resident Manager. There is a six-hour time limit for all guest parking. Guest parking is strictly limited to Guests only, however parking for Employees and
